Expression of Interest

- Employer Name:** Ministry of Municipality and Tourism
Project Name: Comprehensive Waste Treatment Project in Erbil and its outskirts
Project Number:
Consultancy Work: Consultant Company experienced in design, design review and supervision of a field of burning waste and generating power systems with a plant capacity no less than 1000 ton/day

Erbil is the capital of the Kurdistan region with a population of nearly 1,200,000. It contains the main foundations and institutions of Kurdistan Regional Government and provides its citizens with commercial, educational and medical services. The Ministry of Municipality and Tourism is working towards finding a long-term solution for solid waste and waste management through setting up a system of burning waste and generating power on the basis of environmentally friendly and health standards.

Therefore, the Ministry of Municipality and Tourism is seeking to employ a competent consultant company that have experience in design, design review and supervision of a field of burning waste and generating power systems with a plant capacity no less than 1000 ton/day to work alone or in a joint venture, the consultancy begins with conducting appropriate research and studies (Feasibility Study), preparing tender documents, reviewing and preparing all the technical conditions, special and design basis for the project, helping the employer in bidding process, evaluating and analyzing the submitted tenders, preparing a report to select the most appropriate tender in terms of techniques and finance by the employer. Once the project begins, the consultant company must supervise and oversee the design of the project and submit the design to be approved by the employer. Upon the approval of the design, the consultant company must oversee the construction of the project and supervise the operation and maintenance of the project for one year after its completion. Consultancy service should be provided by an international consulting company and the expected duration for the service is 01 months.

Therefore the Ministry of Municipality and Tourism is looking forward to receiving the expression of interest from the consultant companies interested in taking part. The expression of interest should be submitted to the address mentioned below no later than the ministry extend the duration to 4 August 2021 before 11.00 o'clock Am.
