

Procurement Notice:

Request For Information (RFI)

For The Provision of Liquid Fuels at Fuel Stations for KRG Vehicles and Generators

(RFI reference no. KRI-RFI-007/22)

Purpose

The Major Contracts Unit (MCU) sits within the Prime Minister's Office (PMO) of the Kurdistan Regional Government (KRG). It is currently looking for ways to purchase common goods and services, such as fuel, jointly on behalf of all government entities.

We would like to find a way for petrol and diesel used in government owned vehicles and generators to be bought more efficiently, cheaper and at a more consistent quality.

This Request For Information (RFI) is an opportunity for suppliers in the local marketplace to share their knowledge about the terms and conditions under which they are able to provide fuel to their customers.

Criteria for Respondents

- Suppliers do not need to have had any history of working with the KRG to respond to this RFI.
- The only criteria respondents must meet is that they are KRI-based and supply petrol or diesel fuel.
- All RFI responses should be submitted in two parts, as outlined below:
 - A signed copy of the Expression of Interest form provided in **Annex A**;
 - A list of the Supplier's responses to the questions outlined in **Annex B**.
- Respondents are invited to fill out these forms either electronically or in writing.
